

Building & Construction

Tenders - Semi contracts - Hourly work

Flexibility and power when you need it

Building & Construction

Tenders - Semi contracts - Hourly work

Concrete work / Steel fixing - Mortar raking - Construction site services
Surface work and Gardening - Demolition

MEGA FLEX's management and personnel are proud of the extensive expertise we can provide in many areas of building and construction work.

Whether we are talking about "going into depth", "going to great heights" or "going wide" in connection with your current project, we've done it all before!

We have the manpower and machinery for many existing contracts/semi-contracts in the building and construction sector.

This applies to:

- Demolition
- Brickwork
- Surface work
- Construction work
- Concrete work
- Fitting
- Gardening
- Maintenance

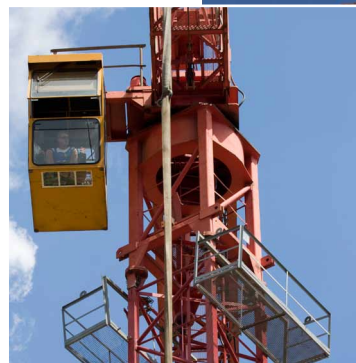

Specialties:

- Installation and renovation of fireproof furnaces
- Mortar raking and pointing facades

MEGA FLEX offers your company overall solutions as well as solutions for individual ad hoc jobs performed on a tender, contract, semi contract or hourly basis. Both skilled and unskilled workers are available at short notice, and please take a look at our list of references from completed jobs.

MEGA FLEX is a member of the Confederation of Danish Industry (DI), as well as the Danish Construction Association (BYG), and we have entered into collective agreements with all relevant trade unions. It provides security for your company and employees that all current labour legislation rules are followed in terms of working hours, wages, etc. Please note that we are pre-qualified with SELLIHCA.

We are very flexible and look forward to working with you and your company.

All jobs are done according to the high standards in ISO 9001 and ISO DS/OHSAS 18001 - yet another guarantee for the quality of our services and for the environment of our workers.

DS/OHSAS
18001
